Does The Well accept food past its expiration date?

Typically, we do not accept food that is past its expiration date. On occasion, some products have a very long shelf life and we do make use of them for a short period of time past the expiration date.

Does The Well accept frozen, produce, and dairy?

YES! We would love to make use of quality foods that are still safe to serve that are frozen, refrigerated, or dairy. Produce that is still good is always welcome. Please remember to not place any perishable products in our outside donation bin.
